Payment to accompany order. We offer three payment options and recommend the first.

**VISA or other credit card.** Please let us know if you wish to go this route and we will send an e-invoice\*. We use PayPal which means we never see your card number or any confidential identification you provide. This process is fast as we don't wait for the formal completion of the payment process (which can take up to a week), the software will be sent to you within 24 hours of PayPal giving any indication that a transaction has taken place.

send to...

**Mail.** Please send cheque or money order in US dollars payable to: Marvin Silbert and Associates. This is a slow process as it is dependent upon the various postal services along the route.

**EFT.** Contact us for details if you prefer to pay via electronic funds transfer. Be aware that the banks charge excessive fees for international transfers as each bank in the chain adds their fee to the total

\*There is an input form for an e-invoice on the website.
